Cambridge, Ma

Enter via the brown door on the left side of the building and go down the stairs.

It is our desire that every person who walks through our doors knows that they are a person of honor and dignity who is loved by us and by God.

We may also provide cribs, cradles, high chairs, pack-n-plays, and other items when they are available and on a first come first served basis.

## What to Expect?

When you arrive, come to the brown door on the left side of the church. Once you enter you will be greeted at the registration table, that person will get some information from you and take your "order." Once your order is taken you will go down stairs where you can enjoy some refreshments, visit with our volunteers and others who are waiting while you wait for our volunteers fill your order. Once your order has been filled, you will be called to the door to collect it.

## Hope's Cradle

is a ministry of **Cambridge First Church of the Nazarene** which is a church who desires to give back to the community that has supported us and given so much to us for over 100 years.
